

Help keep your Ohio neighbors warm this winter

Unexpected events can sometimes cause financial challenges, such as job loss, the death of a spouse, major medical bills or other hardships that may affect your ability to pay bills on time. AES Ohio has partnered with The Salvation Army to provide emergency relief funding to customers with past due balances who are experiencing difficulty paying their electric bills.

Since 2015, AES Ohio has donated more than \$1.4 million to light the homes and hearts of our neighbors. We sincerely appreciate the employees and customers who contribute to the Gift of Power program making a meaningful impact to more than 4,000 families.

Receive the Gift of Power

The 2024 Gift of Power application period begins January 21, 2025, and continues through April 15, 2025. When the application period opens, contact the Salvation Army at 937-528-5120 to schedule your appointment.

Who qualifies?

AES Ohio customers with a past due balance and having trouble paying their electric bills, but who do not qualify for Ohio Energy Assistance programs, may seek assistance. Customers enrolled in Ohio Energy Assistance programs can apply for additional help after April 1, 2025, subject to the availability of funds.
