

Gift of Power

For more than a decade, the Gift of Power program provides emergency relief to customers who find themselves in need of assistance to keep their power on and their homes warm during the winter months. AES Ohio and its customers generously donate to ease the financial burden for our neighbors and their families. AES Ohio partners with The Salvation Army to administer the program.

Who will the Gift of Power help?

Anyone can get behind when unexpected things happen. The loss of a job, major medical bills and other financial hardships can come out of nowhere and make it impossible to keep up. These families are finding themselves in a position maybe for the first time, where they have to ask for help. If you would like to apply for the Gift of Power funding please call The Salvation Army at 937-528-5120.

Help us Pay it Forward
